Please respect the park. Leave no trace. Please take out what you bring in.

5/26

Park Entrance – Highway 35 to Cleveland St & Christopherson Rd

More information (downloadable map, photos, prairie restoration, description) @ www.ThrivePark.org

Thrive! Park is east of Highway 35 in Nelson (WI). Take Cleveland St. toward bluffs. As you enter the woods, turn left on Christopherson Road. Parking lots on right and up by Fish/Frog Pond. Lower park entrance and road/trail markings are left of lower parking lot. Upper trail entrance generally available during daylight hours from Fish/Frog Pond parking up driveway through Thrive! Center (behind garage).

As shown on map, Park consists of hiking roads (dash-dotted lines) going along bluff side and back through valley. Also, there are four hiking trails (dotted lines) that go to restored bluff and prairie areas and can be accessed off the main hiking roads. Two blufftop loop trail sets, as well as Eagle Trails and Big Boulder Trails, can be accessed off main hiking roads. There are many other trails.

For Sisters / Lost Brother Bluffs go up front trail via Knob View Road and return down via rear trail and Valley Road. Can do in reverse. Elevation change – About 400'. Distance – About 0.75 mile with elevation. Upper parking available by Fish/Frog Pond. Daytime access to upper trail entrance via driveway through Thrive! Center (behind garage). For Pikes Peak Prairie, go up and down Bluff Road using front or side trail.

Thrive! Park is public park. No hunting, trapping, or fishing since is park and wildlife safety area. No fires. No vehicles (motorized or non-motorized) except for handicap access. Take out what you bring in. Dogs welcome. No trespass on private land marked "No Trespassing".

Responding to visitors' questions, Thrive! Center (home to Thrive! Endeavor, GChris Sculpture & HealthePeople) is at Park's west edge. To visit Thrive! Center, best contact Chris at GChris@GChris.com or 301-318-3760. More at www.GChris.com and www.ThrivingFuture.org
