VILLAGE OF NELSON REGULAR MEETING - MINUTES

JULY 8, 2026 @ 7:00pm

New Business: Jane brought up cross walks. She suggested we put signs in the middle of the road. Bruce said this has been tried before and did not work. Bruce will check with the state to see if having the flashing lights would be an option and whose responsibility it would be for the cost.

The committee discussed concerns regarding limited visibility when exiting Jefferson Street onto Main Street, particularly during periods of heavy traffic. To improve sightlines and enhance safety, it was suggested that the existing no-parking zone be extended by approximately one additional vehicle length on each side of Main Street and designated with yellow curb markings. This adjustment would help provide motorists with a clearer view of oncoming traffic.

Treasurers Report: Approved by Jane and 2nd by Mike.
Mike made a motion to adjourn the meeting at 7:40pm.
Next meeting will be held on August 12, 2026, at 7:00pm
